Draw a class diagram from the following scenario:

Students register for courses during pre-registration. A student can register for 4 to 6 courses. A course may have at most 40 students. A Student can be a Regular Student, a Scholarship Student, or a Probation Student. Probation Student requires permission from a Counselor. Registration Team completes the registration. The registration team is composed of 5 to 7 advisors, 12 to 15 members and exactly 3 supervisors. Advisors, Members, Supervisors and Counselors are Employee of the University. Once registration is completed, Students make Payment. Payment can be Full Payment or Partial Payment. Full Payment can be divided into 2 or 3 Partial Payment. Course has Schedule. A Course can be a Theory Course, a Lab Course or a Lab-Theory Course.
